

CALL: TOLL-FREE for COLLECTION: 1800-425-8290

Blue harp Technologies willing to collect back of our products sold to the market after end of its life to avoid inappropriate disposal.

E-WASTE MANAGEMENT

Everyone knows the three R's of environmental sustainability: Reduce, Reuse, Recycle. Reducing how much we consume and shifting our consumption to well-designed products and services is the most preferred level. Use less stuff. "Making a new product requires a lot of materials and energy: raw materials must be extracted from the earth, and the product must be fabricated and then transported to wherever it will be sold. As a result, reduction and reuse are the most effective ways you can save natural resources, protect the environment, and save money."

E-WASTE COLLECTION

Blue harp technologies have partnered with Authorized E-Waste recycler called E-Hasiru, a Bangalore based company who provide appropriate recycling solution to our E-Waste materials. Blue harp has sharing the collection points of our recycling partner who has PAN India collection network where our clients can drop their used, obsolete, broken and repaired EEE Products in the collection bins at our collection area (as Listed below).

Blue harp introduced a toll-free number as 18001007450, our service team will respond to your calls immediately and arrange collection from your door step within 72 hours if the quantity of the e-waste is viable to collect. If not, we will advise you the nearest collection points to drop your waste to recycle appropriately.

COLLECTION SCHEMES

Blue harp offers collection schemes to the customer to ensure the product life cycle is environmentally friendly.

- **Buyback Scheme:** Blue Harp offer buyback program offers, i.e. Buyback old relevant products from individual customers, in case they are going for a replacement with a likewise products form BHT.
